◆ Exercise Books

One of the most essential educational requirements is also our core business. We happen to be one of the largest school notebook manufacturers in the entire North East Region with a fully automatic plant of 4 tonnes daily production capacity. We have a wide range of paper and cover quality catering to more than 300 schools annually.

◆ Some of our outstanding innovations are

◆ Premium range of notebooks

High end exercise books using super bright, higher breaking length paper

◆ Personalized Cover

At the cost of normal covers we provide tailormade covers with the school's photograph, logo etc.

◆ 100% Waterproof Imported Cover

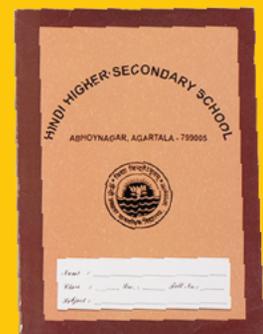

For the first time in the incessant rain plagued eastern region we bring damage, fold and tear resistant imported plastic covers.

◆ T-Shirts & Trackpants

Our T-shirts are made in Ludhiana using the most durable yet affordable material. The T-shirts are made using 60% cotton yarn and only 40% synthetic yarn making it extremely comfortable for children to wear while retaining its original colour and shape even after several washes. Alternatively we offer our schools a choice of 100% cotton T-shirts too.

The T-shirts are almost wrinkle free and fade resistant. Also the ribbing does not go out of shape inspite of regular wear and tear.

The printing on these T-shirts is rubberized so as to keep the T-shirts looking new every time the child wears them.

Special Quality Collar with extra shape retention properties

Special Shoulder tapes inside for extra grip

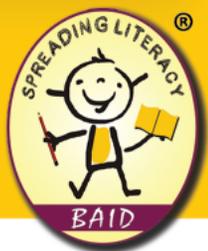

Nylon Buttons of superior quality

Rubberised Printing and computerized embroidery for longlasting compression

Fade Resistant

◆ Soft Skills Enhancement Program

◆ About Vandana Chhalani

Vandana Chhalani is the founder Director of the Institute for Personality Development, Ahmedabad. Her Mission in life is to help people maximize their inner potential. To realize this, for the last 25 years she has travelled extensively in India and abroad and conducted workshops on self enhancement for corporates, students, teachers, professionals etc. Her esteemed corporate clients include Mr. Anand Jain, then V.P. Reliance Capital, Suresh Raheja, CEO, Raheja Universal, etc. She has also trained teachers of CMS Lucknow (the largest school in Asia), Holy Cross School, Agartala, management students of IITM, Indore, ICFAI Ahmedabad, the school students of Emerald Heights, Indore, Holy Cross School, Silchar, etc.

◆ Workshop Module for Students

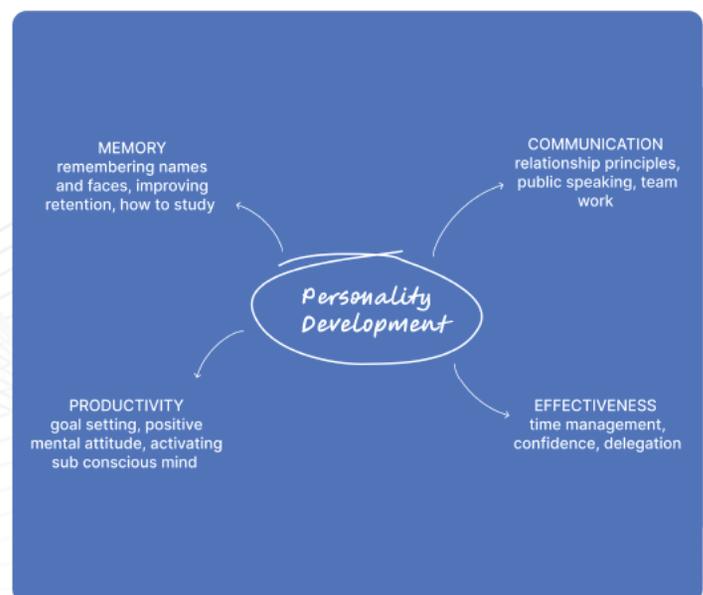

- **Memory Management:** Scientific tools to understand the working of the human mind & increasing its efficiency..
- **Increased Retention Power:** It is not important how many hours a student studies, but how much he/she retains out of it. Retention power will be improved by time tested scientific methods.
- **Self Confidence:** Right from facing the exams/interview board to interacting with peers and others, self confidence is the key to success in life.
- **Goal setting & Time Management:** We cannot hit a target we cannot see. An absolute clarity of vision & practical goals will bring the much needed focus and dedication in a student.

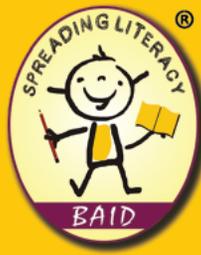

◆ Workshop Module for Teachers

This workshop helps teachers in increasing efficiency, being more proactive and encouraging students to give their best. It is said that a school is only as good as its teachers. Better teachers result in better students and a great school.

◆ Workshop Module for Parents

The common grouse most Parents have is that children don't listen to them. This workshop focuses on "How to talk so that kids listen". We also focus on creating family values, resolving conflict etc.
